(1)

## Work We Do :

We need  $\Rightarrow$

Food	$\longrightarrow$	To eat
Clothes	$\longrightarrow$	To wear
House	$\longrightarrow$	To live

$\updownarrow$   
We need money  
for all these  
(Food, cloth, House)

We work  $\longrightarrow$  To earn money

### Occupation :

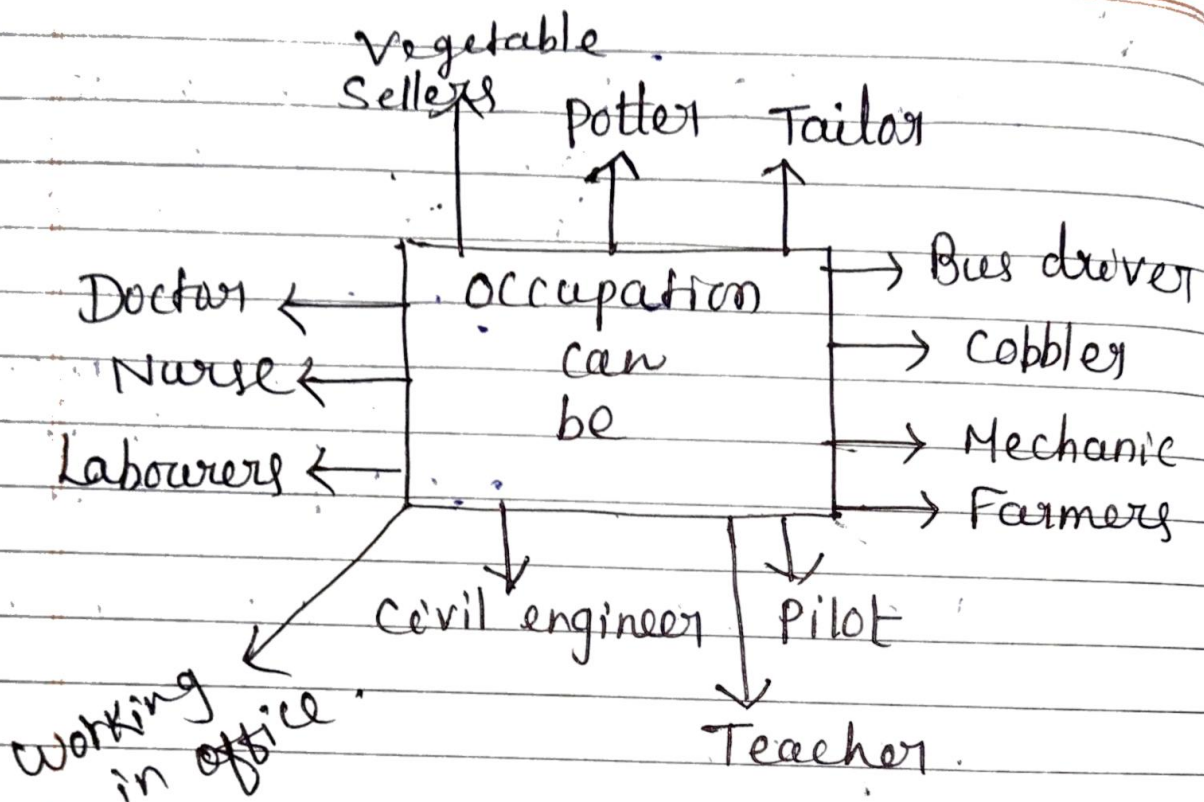

The work we do to earn money is called our occupation.

OR

Any work which helps us to earn money is called an occupation.

\* People take up an occupation according to their need and what they can do.

[Skill  $\longrightarrow$  ... what you can do]

Vocational: Skill taught for a particular occupation.

\* We need to study and undergo special training in order to take up some kind of job or occupation.

example: A tailor needs to learn to design, cut and stitch the cloth.
