| 4. Surname | |
| 5. Common | |

Book Exercise pg. no - 26

B/ Answer these questions:-

① What is a joint family?

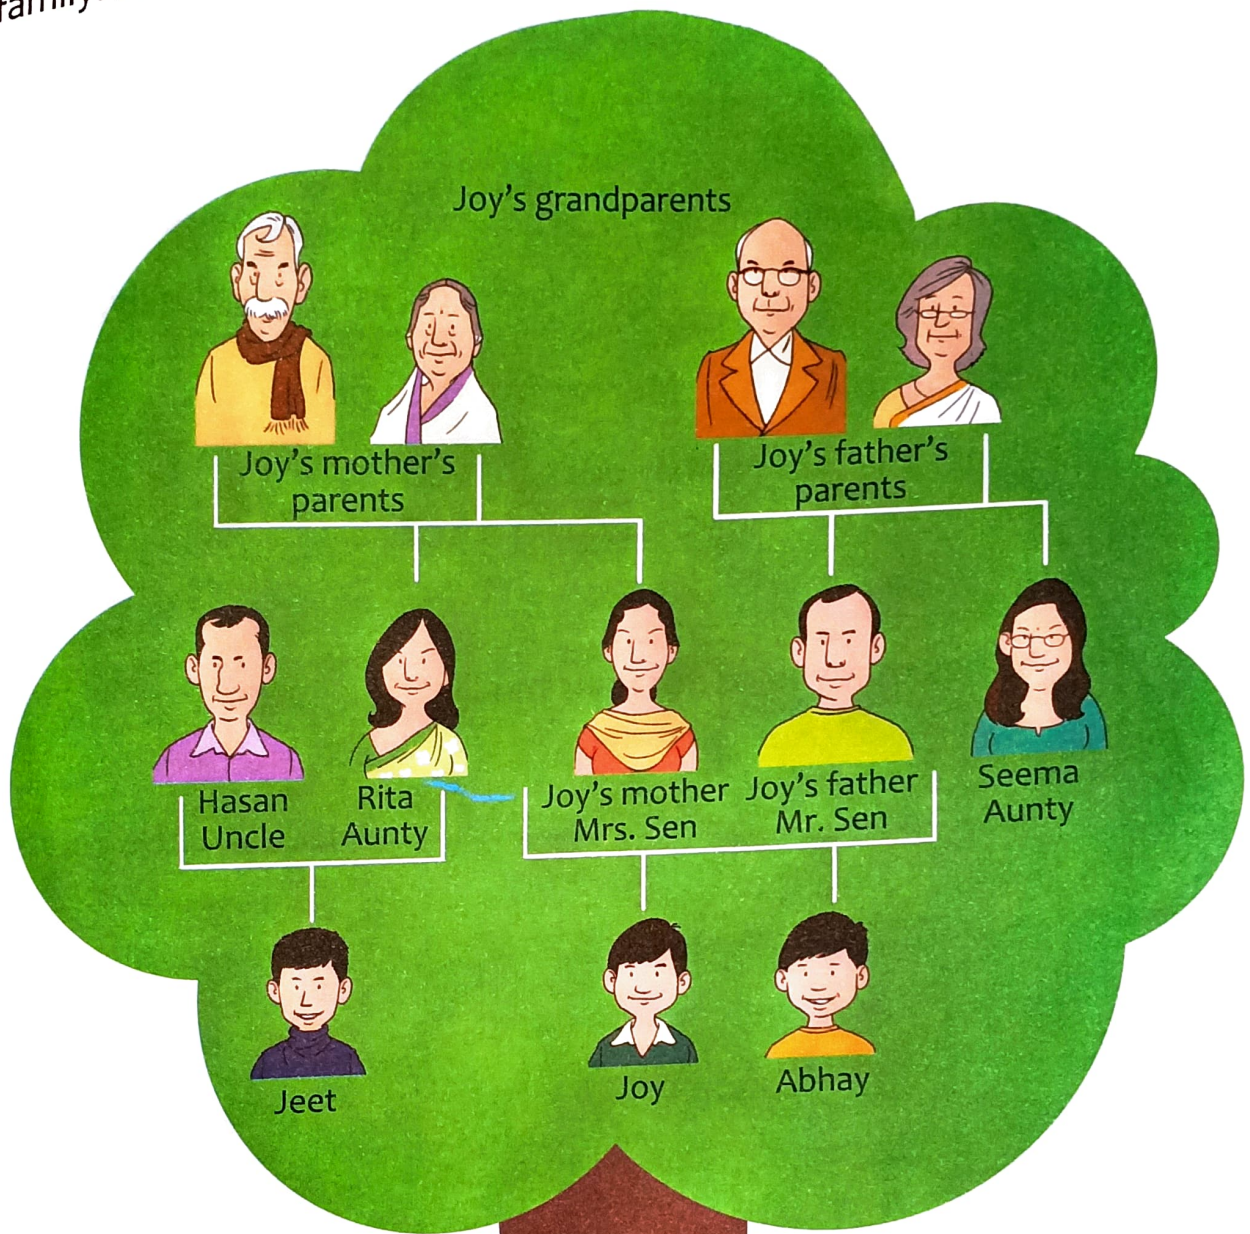

Ans:- Joint family is a big family in which grandfather, grandmother, parents, uncles, aunts, and cousins live together.

② What is a surname?

Ans:- The common last name of each member of your family is called a surname.

H.W. Write in EVS copy.

This is Joy's **family tree**. A family tree shows us all the people in our family. From this family tree we can see that:

- Mr and Mrs Sen are Joy's **parents**.
- Abhay is Joy's **brother**.
- Rita Aunty is Joy's **aunt** (mother's sister).
- Seema Aunty is also Joy's **aunt** (father's sister).

- Jeet is Joy's **cousin**.
- Joy's full name is Joy Sen.
- Joy is his **first name** and Sen is his **family name**.

Make your own family tree by pasting the pictures of your family members.
