

## Exercise - 6.4

Date . 26.08.21

(B) Solve.

1) 
$$\begin{array}{r} \text{H T O} \\ 245 \\ - 135 \\ \hline 110 \end{array}$$

biscuits baked

$\rightarrow$  135 biscuits sold

110 biscuits left.

Ans  $\rightarrow$  110 biscuits are left.

2) 
$$\begin{array}{r} \text{H T O} \\ 44 \\ - 32 \\ \hline 12 \end{array}$$

pages has the book

$\rightarrow$  32 pages read by Lisa

12 pages are left to read.

Ans  $\rightarrow$  There are 12 pages left for Lisa to read.

3) 
$$\begin{array}{r} \text{H T O} \\ 78 \\ - 8 \\ \hline 70 \end{array}$$

Orange bars in the card

$\rightarrow$  8 Orange bars bought

70 orange bars are left

Ans  $\rightarrow$  70 orange bars are left.

(C) 
$$\begin{array}{r} \text{H T O} \\ 256 \\ - 135 \\ \hline 121 \end{array}$$

pages has the book

$\rightarrow$  135 pages have pictures

121 pages without pictures

Ans  $\rightarrow$  121 pages are without pictures

4) 
$$\begin{array}{r} \text{H T O} \\ 99 \\ + 85 \\ \hline 184 \end{array}$$

runs in 1st innings

$\rightarrow$  85 runs in 2nd innings

184 total runs

Ans  $\rightarrow$  Dhoni scored 184 runs in both the innings.

H T O

$$\begin{array}{r} 99 \text{ runs in 1st innings} \\ - 85 \text{ runs in 2nd innings} \\ \hline 14 \text{ more runs} \end{array}$$

Ans → 14 more runs he scored in the 1st innings than the second innings.

② H T O

~~256~~ pages has

③ H T O

$$\begin{array}{r} 147 \text{ students in a school} \\ - 11 \text{ students absent on Tuesday} \\ \hline 136 \text{ students present} \end{array}$$

Ans → 136 students were ~~absent~~ present.

④ H T O

$$\begin{array}{r} 45 \text{ yellow roses} \\ + 206 \text{ red roses} \\ \hline 251 \text{ total roses} \end{array}$$

Ans → There 251 roses in all.

H T O

$$\begin{array}{r} 206 \text{ red roses} \\ - 45 \text{ yellow roses} \\ \hline 161 \text{ roses less} \end{array}$$

Ans → yellow roses are less.  
yellow roses are 161 less than red roses.

( Do Exercise-6.4, Qs. no- B and C in your Math copy and practice again in your rough copy. )
