CLASS-III

Ch-8

Q1A

Q3. Answer these questions.

Q1. Why was the loom important to the weaver?

Ans-1 The loom was important to the weaver because without it he could not weave cloth to sell and make money to feed his family.

Q2. What did the weaver do in the jungle the first time?

Ans. The weaver walked to the jungle and spent a long time checking the wood of the trees to find some wood to repair his loom.

Q3. Describe how the genie appeared in front of the weaver the first time.

Ans. The genie appeared in a flash of lightning when the weaver lifted his axe next to the tree.

Q4. What did the weaver tell his family when they looked at him in fright?

Ans. When his family looked at him in fright, he told them not to worry. He told them that he would be able to work faster and would not even need a loom to weave.

Q5. What happened when the weaver tried to weave with all his hands?

Ans. When the weaver tried to weave with all his hands, he realized that they were not helpful and gave him a lot of trouble. They were stopping him from working properly.
