Dear Rani

I am doing well. How are you?
I want to share with you how I spent last weekend. I visited my grandparents in my village. My grandpa took me to their farm. There were cows, goats, hens and ducks in the farm. There were also mango trees and coconut trees. I had mangoes which were very sweet and juicy. My grandma told me stories. She also made some tasty snacks for me. I really enjoyed spending time with them.

How did you spend last weekend?

Yours lovingly,
Preeti
