SUBJECT - PREDICATE

When we form a sentence, we name a person or thing and say something about that person or thing. The part of a sentence that names a person or thing is called the subject. The subject can be a word or a group of words. The part that tells us something about the subject is called the predicate. It contains the verb. The predicate can be a word or a group of words.

SUBJECT

The old car
A French painting
Ram Nath Kovind
My cat

PREDICATE

moved slowly towards the gate.
was on display in the museum.
is the President of India.
does not respond to any name.

E Circle the subjects and underline the predicates in these sentences.
