An ant went to a river to drink water. It fell into the water and began to drown. A bird sitting on a tree saw the poor ant. She plucked a leaf with her beak and let it fall into the water near the ant. The ant climbed onto it and was saved. A few days, later, a bird-catcher came with a net near the tree in which the bird lived. The ant was nearby. It knew that the bird-catcher wanted to catch the bird. It bit him in the foot. The bird-catcher threw the net down. The bird flew away!
