Diary

The young Phoenix Public School is a symbol of progress and quality education – Our Motto “Child Care is Life Care” Captures the essence of our spirit in our school children will gain an all-round education and achieve their potential not just in the academics but also in the field of sports and creativity.

Our school is scaling new heights with excellent professional training to our children in a range of co-curricular activities. Most importantly, we are a team of dedicated teachers and staff Committed to the welfare of the children in our care. The importance of instilling good values in our students in our prime objective. So, we try to hone the talents of our children in a manner That they reach up to their optimal potential.

27th March, 2025

“Education is not just about learning facts, but about developing the mind to think, explore and create. Strive for excellence, be kind and never stop learning.”
-Paranati Mishra, Principal

Our aim, importantly is to make education a fun filled, enjoyable, learning and growth experience on the solid foundation of values. We believe it is important to create an environment where students look eagerly to come to school.

We want them to have found

Spent with us, long after they have left the portals of the school
